

JOSHUA MURRAY **BE BBUS**

After 7 years of experience as Project Manager for Delta Group’s Victoria, New South Wales and South Australian Divisions, Josh joined BRC Piling & Foundations to lead delivery as Construction Manager in mid 2020. Following a restructure of the business under new (private) owners Josh was promoted to Manager to lead the business from mid 2022 . With an exceptional eye for detail, strong leadership qualities and business acumen, and in depth knowledge of civil construction and engineering – from estimating to site based programming and sequencing of works – Josh has driven recent growth and expansion in Victoria and beyond.
